

# INVITATION TO JOIN OUR PATIENT GROUP

Dear Patient

The Practice is keen to set up a Patient Group and we would like to invite you to become a member of this group. We would like to hear your views on the range and quality of services provided and what improvements you would like to see at the Practice.

Your contribution would be valued and appreciated in helping us to help you.

## What is involved?

- ***Meetings and Surveys***

As representatives of our patient population your opinions would be helpful in identifying areas of improvement within the Practice as well as influencing the development of local healthcare services. We would gather this information by inviting you to attend meetings as well as participate in on-line surveys up to four times a year. Occasionally, we may contact you for your opinion on certain proposed changes.

- ***Topical Educational Events***

We may offer topical educational events, if members would like us to.

- ***Reporting Back***

We will publish on our website a report of Patient Group Activity and subsequent achievements.

If you would like to become a member of the Patient Group, please complete your details below and hand this to the receptionist.
